

KUKA Assembly and Test Corp.

Contractor Login Security Policy

Statement of Policy:

Policy:

You are requesting access to the KUKA Assembly and Test Corp. (KUKA-AT) Computer System. This computer system, including all related equipment, networks, and network devices (including Internet access) are provided only for authorized use. If you do not agree to abide by this policy, access to the system will be denied.

When using this account I am agreeing:

1. To use these resources only for purposes consistent with KUKA-AT's business operations, applicable policy or law.
2. The account is for my sole use and I will not permit others to use it.
3. Use of this KUKA-AT computer system constitutes consent to monitoring of this system.

Privacy:

KUKA-AT computer systems may be monitored for all lawful purposes, including ensuring that usage is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures. All information, including personal, placed or sent over this system may be monitored, recorded, copied and used for authorized purposes.

Violations of this policy:

Unauthorized use may subject you to contract termination and/or criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative or criminal action.

KUKA Assembly and Test Corp.
Contractor Login Security Policy

Acknowledgment/Receipt Form:

I hereby acknowledge that I have read and understand the KUKA-AT **Login Security Policy**. If I want a copy of this policy, I will contact the KUKA Assembly and Test Corp. I.T. Department. I understand that all Network usage and all information transmitted by, received from, or stored in these systems are the confidential property of KUKA-AT Corp., and I have no expectation of personal privacy in connection with the use of this equipment or with the transmission, receipt or storage of information in this equipment.

I acknowledge and consent to KUKA-AT Corp. monitoring my use at any time as provided by the Login Security Policy. I have read and understood all the provisions specified in this policy.
